C. Prior to entry, first time starters must receive approval from an OHRC licensed starter within ninety (90) days of a race. First time starters must have two (2) approved published works within sixty (60) days of a race, one (1) of which must be at least three (3) furlongs from the starting gate with company.

D. Any horse that works at an OHRC licensed racetrack must be identified to the Gap Attendant or Starter by name, type of workout and distance. Failure to report this information will result in referral to the Stewards.

TURF COURSE:

Turf races will be transferred to the main track should the management deem the turf course unsuitable for racing.
In the event a race must be transferred from the turf course to the main track, the following distances will be used:

Turf	Main	Turf	Main
5 Furlongs	5 Furlongs	1-1/8 Miles	1-1/8 Miles
7-1/2 Furlongs	One Mile	1-3/8 Miles	1-3/8 Miles
One Mile	One Mile	1-1/2 Miles	1-1/2 Miles
1-1/16 Miles	1-1/16 Miles	1-13/16 Miles	1 Mile 6-1/2 Furlongs

CONDITION ELIGIBILITY: horses that meet the condition of the race are preferred over those that do not. For Example: winners of two (2) races entering into a non-winner of three (3) races would have preference over a horse that has only one (1) win regardless of preference date. In open races, horses with with condition eligibility (Example: NW3, NW2) are least preferred to those with (3) or more wins. In such case, horses with condition eligibility get into an open race. NW3's would be preferred over NW2's and so on.

(2) The claimant failed to exercise due care in maintaining and boarding the claimed Covered Horse;

(3) The claimant made material alterations to the claimed Covered Horse; or.

(4) The claimed Covered Horse dies or is euthanized.

EQUIPMENT CHANGE RULE FOR REMINGTON PARK BLINKER RULES:

a. Any blinker change from a previous start must be approved by the Starter.

b. A blinker change must be declared at time of entry.

c. No horse may arrive at the paddock wearing blinkers without first getting permission from the Paddock Judge and/or Stewards.

Remember it is the Trainer's responsibility to claim a blinker change at the time of entry. Failure to do so will result in said horse racing in previous equipment.

NAMING OF RIDERS

Trainers must name a rider and a backup rider at time of entry. If both jockeys "take off" at the draw, the horse will be "left open" on the overnight. Trainers must name a rider for "open horses" on the overnight by 9:00 a.m. the following day. The Stewards will name riders for all horses "remaining open" at 9:00 a.m. All subsequent rider changes after 9:00 a.m. will result in a "equal Jock mount."

325:25-1-17. COUPLING OF ENTRIES. In no case shall more than two (2) horses having common ties through ownership, training, or lease be entered in a purse race (overnight). When making a double entry, the second same Owner entry drawn shall have no preference over any single entry in purse races, excepting a preference over an "in today" horse. At the time of entry, a preference must be made to the end that each interest may have an entry in each division should the race be divided. For different Owners, an organization licensee, with approval of the Stewards, may allow for each entrant to have an equal shake to draw into a race providing the horse(s) have preference. If a race is to be divided, an additional conditional entry may be accepted from any interest. Each such entry may have a joint entry. All divided races will be considered separate races.

325:30-1-16. SALE OR TRANSFER OF A CLAIMED HORSE. No horse claimed out of a claiming race shall be sold or transferred to any person for racing purposes within (30) days, exclusive of the day such horse was claimed except in another claiming race.

325:30-1-17. ENTRY OF CLAIMED HORSE. (a) horse claimed out of a claiming race shall be eligible to race at any racing organization within the State of Oklahoma immediately or in any other state after the end of the race meeting where the claim occurred. A claimed horse shall not be eligible to start in any other claiming race for a period of thirty (30) days exclusive of the day such horse was claimed for less than the price for which the horse was claimed. A claimed horse, with the permission of the Stewards at that race meeting, may be allowed to participate in stakes or nomination races in other jurisdictions. A horse claimed in another jurisdiction is subject to the eligibility requirements for the claimed horse in effect at the time of the claim in the jurisdiction in which the horse was claimed.

ATTENTION HORSEMEN!

All races for the 2026 Thoroughbred Meet will be veterinarian inspection races. All horses must be within the enclosure in their assigned stalls no later than four (4) hours prior to the first (1st) post to comply with pre-race exams.

325:60-1-13. DEPOSIT OF JOCKEY FEE: The minimum jockey mount fee for a losing mount in the race must be on deposit with the Horsemen's Bookkeeper prior to the time for weighing out, and the failure to have such minimum fee on deposit is cause for disciplinary action and cause for the Stewards to scratch the horse for which such fee is to be deposited. The organization assumes the obligation to pay the jockey fee when earned by the engaged jockey. The jockey fee shall be considered earned when the jockey is weighed out by the Clerk Of Scales, unless, in the opinion of the Stewards, such jockey capable of riding elects to take himself off the mount without proper cause.

325:15-5-19. WORKERS COMPENSATION ACT COMPLIANCE.

No person may be licensed as a Trainer, Owner or in any other capacity in which such person acts as the employer of any other licensee upon the racetrack enclosure operated by an organization licensee, unless his/her liability for Workers' Compensation has been secured in accordance with the Workers' Compensation Act of the State of Oklahoma and until a Certificate of Insurance or other appropriate evidence of self-insurance evidencing such security for liability is provided to the commission. Should any such required security for Worker's Compensation be cancelled or terminated, any occupation license held by such person may be subject to summary suspension and may be grounds for revocation of the license. **Any trainer who intends to bring a horse on the grounds of Remington Park must have a minimum Workman's Compensation policy on file with Racing Commission before doing so if he/she has employees.**

325:15-5-7. KNOWLEDGE OF RULES.

Every licensee, in order to maintain their qualifications for any licenses held by them, shall be familiar with and knowledgeable of Track and Commission Rules, including all amendments thereto. Every licensee is presumed to know the Rules.

OWNER'S SILKS AND CERTIFICATE OF FOAL REGISTRATION.

All owners must furnish their own silks. Following the conclusion of the meet please arrange for your silks and Certificate of Foal Registration to be picked up. Although Remington Park makes every effort to ensure the safety of both, we will not be held responsible for either silks or Certificate of Foal Registration left later than one week after the final day of the meet.

325: 25-1-13. CERTIFICATE TO REFLECT CORRECT OWNERSHIP.

Every Certificate of Foal Registration, Eligibility Certificate or lease agreement filed with the Organization and its Racing Secretary to establish the eligibility of a horse entered for any race shall accurately reflect the correct and true ownership of such horse, and the name of the owner which is printed on the official program for such horse shall conform to the ownership as declared on the Certificate of Foal Registration. A Stable Name shall be registered for such owner or ownership with the Commission. In the event ownership is by syndicated corporate, partnership, or other association or entity, the name of the owner which is printed on the official program for such horse shall be the responsible managing owner, officer or partner who assumes all responsibilities as the owner.

PREFERENCE SYSTEM

(1) All horses intended for racing at Remington Park will be assigned a preference date when original Certificate of Foal Registration papers are submitted to the Racing Office with a current negative coggins. A horse can have only one date at any particular time.

0 - Date: This date will correspond to the date on which a horse's foal papers are submitted to the Racing Office **BY NOON ON MONDAY, AUGUST 3, 2026**

R-Date: All registration papers received or postmarked after zero date will receive a "R" date corresponding to the racing date of the meeting when registered.

(2) Preference shall be given in all races, except handicaps and stakes.

(3) Preference dates will not supersede conditions of a race.

(4) All horses registered on or before noon on Monday, August 3, 2026 will receive a zero, which is the lowest possible date. A horse keeps his zero until he runs, scratches or the papers are removed from the Office (unless, for just cause - verification, corrections, etc.) the Racing Secretary may determine the status of the preference date established.

(5) All horses registering on the first racing day and afterwards will receive an "R date" corresponding to the racing day or the meeting when registered.

(6) Preference dates are good at any distance.

(7) A Zero has first preference. Should a 'Super-Date' be given to a horse, a 'Super-Date' will have preference over a Zero Date.

(8) All horses place on the Steward's, Starter's or Veterinarian lists will be posted on the bulletin board. They will not be permitted to enter until they have been approved to start. A horse which raced before going on a list will keep its R-Date. Horses which were scratched will be given an R-Date of the day the Horse comes off the list.

(9) If a horse is registered or comes off a list on a non-racing day, the next racing day will be used.

(10) In no way does claiming, ownership transfer or trainer transfer of a horse affect the preference date.

(11) It is the responsibility of the person making an entry to claim preference at time of entry. The Stewards will consider no claims that do not comply with the above regulations.

(12) When a horse's name appears in a race and is entered for the following day, such entry will be given no consideration should the race in which it is entered is overfilled.

(13) A zero date has first preference, then "R" date.

(14) In open claiming races Oklahoma Bred claiming price denotes Accredited Oklahoma Breds.

(15) Statistics provided by Equibase will be used to determine eligibility unless the Stewards determine the Equibase Chart is incorrect.

E. Backside Manure Handling Procedures

Revised 10-05-09

I. Purpose

Provide expected guidelines and procedures for handling manure, soiled bedding and trash from the barn areas on the Backside. Post rules for handling manure by Horsemen. Provide bunkers. Conduct and document inspection of manure storage/handling areas.

II. Policy

Due to new Federal and State CAFO Regulations, serious and monetarily substantial regulatory penalties can be imposed on Remington Park for allowing the improper handling of manure and soiled bedding (straw, pellets, sawdust, etc.) on our property. Every due diligence effort and precaution must be employed to prevent the contamination of ground water and migration of manure effluence into storm drains, which empty into the Deep Fork River, or any other natural resource waterway.

• Remington Park is responsible for providing sufficient covered trash and designated manure/bedding storage bunkers/containers for each barn and manure bunker location.

• It is the Horse Trainer's responsibility to ensure that all manure and soiled stall bedding is properly disposed of in the bunkers.

• Trainers are additionally responsible to ensure that any manure, bedding, etc. dropped from the wheel barrels between the stalls and the bunkers (to include all around and inside the manure bunkers) is subsequently picked up and placed in the designated bunkers.

• As bunkers are reaching their capacity, trainers will call Debbie Holland (Stall Manager), Stall Office (405-425-4115), to request a fresh bin to be put in place. Do not over-fill the bunkers.

• Trainers are responsible for assuring that all trash, bottles, cans, etc. are properly placed in the large trash containers at the ends of each barn and not in the bunkers.

•Trainers are responsible for picking up and properly disposing of manure deposited by their horses during/after exercising on Hot-Walkers.

• Horses must be washed only in the designated horse wash-racks inside each barn.

• The Stall Manager is responsible for conducting a daily inspection of the barns and manure bunkers to note if manure is properly placed inside the covered bins, trash is being placed in the proper container, area around the barn and manure bunkers are clear of soiled bedding/manure and if bins are overfilled. The inspection findings will be recorded on the Remington Park "Daily Inspection Report Form for Bunker locations". The Remington Park Stall Manager will submit the completed forms daily to the Facilities Director and the Director of Internal Compliance.

• Remington Park Facilities Department will ensure that all streets and parking areas between the barns on the backside will be swept (street sweeper) bi-weekly. The collected contents of the sweeper must be deposited inside a bunker for collection.

• Remington Park Security Department is responsible for conducting a daily property and backside inspection. Security will complete the "Daily Property & Backside Exterior Security Patrol Safety and Environmental Observation Checklist" form. Completed forms will be submitted to the Facilities Director and the Director of Internal Compliance daily.

• A copy of these Rules/Policy will be posted inside each barn and at the Stall Office.
