Attention All Horsemen:

Every horse will be required to have a negative hair test during our 2026 Quarter Horse and Mixed meet.

All horses competing in stakes races at Remington Park must be stabled on the backstretch no later than 24 hours prior to pre-race veterinarian exam. Arrival to be confirmed by an approved time stamped in-slip at the stable gate.

All Derby and Futurity qualifiers must remain stabled on the grounds of Remington Park between the trials and finals of every 2026 Derby or Futurity.

Failure to comply with these policies may result in but not be limited to fines, scratch from race, and or ejection from property etc.

It will be the responsibility of each trainer with horses entered in stakes races or that qualify as finalists in Derby or Futurity races to make stabling arrangements thru the racing secretary.

Any questions regarding this policy can be directed to the Remington Park Racing Office.

Hair Testing as a Condition of Entry

No horse will be allowed to enter at Remington Park unless results of a negative hair test has been provided to Remington Park prior to entry. Horse(s) that test positive must leave the grounds and will be ineligible to participate in the 2026 Remington Park meet. No re-test will be allowed.
