

➤ **WORKOUT AND FIRST TIME STARTER REQUIREMENTS FOR ALL BREEDS RACING AT OHRC LICENSED TRACKS**

Only timed works published by Daily Racing Form and/or Equibase may be accepted with the approval of the OHRC Stewards.

A. QUARTER HORSE, PAINT AND APPALOOSA WORKOUT REQUIREMENTS:

Horses which have an official start but not within sixty (60) days of a race must have one (1) approved published work within sixty (60) days of a race.

- B.** Horses which have an official start but not within one (1) year of a race must have two (2) approved published works within sixty (60) days of race, one of which must be from the starting gate.
- C.** Prior to entry, horses with an official start wishing to race around the turn for the first time must have an official workout around the turn and receive approval from the clocker within 60 days of the race. First time starters wishing to race around the turn must work from the Starting Gate around the turn (with company) and receive approval from the starter and clocker within (60) days of the race.
- D.** Prior to entry, first time starters must receive gate approval from an OHRC licensed Starter. In addition, first time starters must have two (2) approved published works within sixty (60) days of a race, one of which must be in company from the Starting Gate. Said horse must also be approved by the Clocker as having obtained a minimum speed index of 30 on the straightaway.
- E.** First time starters which have been approved in a schooling race at an OHRC licensed racetrack within sixty (60) days of a race may forego the requirements in Section D .
- F.** Horses unable to start within sixty (60) days of their approved schooling race can update the schooling race (not to exceed thirty (30) days) with an approved work from the Gate.
- G.** Any horse that works at an OHRC licensed racetrack must be identified to the Gap Attendant or Starter by name, type of workout and distance. Failure to report his information will result in referral to the Stewards.
- H.** Horses that have drawn into the body of a race and need a workout, must obtain the workout at a recognized pari-mutuel race track or approved Oklahoma training facility to fulfill this requirement.

➤ **CRITERIA FOR SCHOOLING RACES**

- 1.** Must be conducted at an OHRC licensed racetrack.
- 2.** All riders must be OHRC licensed jockeys or exercise riders to participate.
- 3.** Entries shall be made in person or by telephone to the Racing Secretary's Office.
- 4.** All horses approved for participation in a schooling race must be tattooed prior to or on the day of participation.
- 5.** The Racing Secretary shall publish an overnight to reflect the name of the horse and Trainer.
- 6.** The current Certificate of Registration for the horse must be on file in the Racing Secretary's Office or an up to date photocopy of said Certificate reflecting the horse's tattoo number.

7. The Starter, Outrider, Clocker, a Steward or Steward's Designee and the Racing Secretary or Assistant to the Racing Secretary must be present to supervise Approved Schooling Races.
8. One Approved Schooling Race will be accepted in lieu of the two (2) work requirement so long as the schooling race is within sixty (60) days of any OHRC pari-mutuel race for which an entry is made as follows:
 - a. All breeds racing in straightway races must school on the straightaway.
 - b. Horses unable to start in a race within the allotted sixty (60) days can update the schooling race (for a period not to exceed thirty (30) days with an approved work from the gate.
9. Schooling horses will be identified by registered name, marking and tattoo number by the supervising Steward or Steward's Designee.
10. Horses shall be saddled in the paddock using normal racing tack equipment including over girth.
11. After leaving the saddling paddock, horses shall return to the track and after warm-up, proceed to the starting gate.
12. Horses approved for participation in a schooling race will run from the starting gate under the direction and approval of the Starter and Steward or Steward's Designee.
13. At least one video camera view and a photo finish strip is required of each schooling race with the schooling race video to be held for a period of ten (10) days. The Commission Executive Director is authorized to approve the position and quality of the camera.
14. An approved schooling race conducted in accordance with these guidelines at an OHRC licensed racetrack shall be recognized at any OHRC licensed pari-mutuel facility.
15. An OHRC licensed racetrack may charge up to Fifty Dollars (\$50.00) per head for participating horses and may publish minimum required number of participants before the schooling races are made available so long as the minimum number does not exceed sixty (60) head.
16. The supervising Steward has the discretion in all matters regarding schooling race procedures and requirements.

SCHOOLING RACE DAYS REMINGTON PARK 2019

Remington Park will host non-mandatory schooling races in an effort to assist in preparation for the race meet. There will be a non-refundable administration fee of Fifty Dollars (\$50.00) for each horse that enters. The Owner of the horse must pay the Fifty Dollars (\$50.00) administration fee or the Trainer will be held responsible for payment. Remington Park requires a minimum of sixty (60) entrants for each scheduled schooling race day. In the event the Racing Office does not receive at least sixty (60) entrants the scheduled schooling race day may be cancelled. Each Trainer is solely responsible to pay their rider. Entries will close on each Friday preceding the scheduled schooling race day at noon and at 5:00pm after the race meet starts. Any changes to the entries such as additional horses or substitutions of horses must be requested before 9:00 a.m. the day of the schooling races and must be approved by the Stewards. Beginning February 6 schooling races will be held on Wednesday and Thursdays if necessary. Should Horsemen show support for additional schooling race days in May, the Racing Secretary will take entries in the Racing Office.
