## IMPORTANT NOTICE TO HORSEMEN

It is the goal of Remington Park and OQHRA to provide a race meeting of the highest quality and free of any horse racing practices that are corrupt, incompetent, dishonest, or unprincipled. The fact that every horse must provide a negative hair test prior to entry will provide assurance to every owner and fan wagering on the races that the track is making significant effort to ensure horses are not unfairly competing with an advantage from prohibited substances.

### HAIR TESTING AS A CONDITION OF ENTRY

NO HORSE WILL BE ALLOWED TO ENTER A RACE AT REMINGTON PARK UNLESS RESULTS OF A NEGATIVE HAIR TEST HAS BEEN PROVIDED TO RACING SECRETARY PRIOR TO ENTRY.

**1. Pre-entry Hair samples must be collected for testing within 45 days of the first pari-mutuel race that a horse competes in at this meet. Results must be on file with the racing office before a horse can be ENTERED.**

2. As a service for horsemen, OQHRA will facilitate collection and submission of samples for testing of horses that are scheduled for testing at Remington Park.

- a. A fee of \$250 must be paid prior to collection of sample.
- b. Trainer/owner must contact the OQHRA to schedule hair collection.
- c. Hair collection which will begin February 4 and will continue throughout the meet.

3. Horsemen electing not to bring their horse to RP for collection of hair samples may contact OQHRA or RP Racing Secretary for instructions on having hair collected by an authorized veterinarian and sent for testing at Maddy Lab (UC Davis) or TX Vet Diagnostic Lab (TX A&M). (Instructions will be available from racing office, OQHRA office, and posted on [www.oqhra.com](http://www.oqhra.com) and [www.remingtonpark.com](http://www.remingtonpark.com) websites). If collected by a source other than OQHRA, the hair sample must be tested in accordance with the AQHA uniform testing protocols AND MUST INCLUDE DNA VERIFICATION confirming the sample was collected from said horse.

4. In no event will a horse be eligible to enter a race unless the hair testing has been completed and a negative result has been provided to the racing secretary in accordance with these conditions.

5. All Futurities and Derbies during the 2019 meet (for Quarter Horse, Paint, and Appaloosa) are ALSO subject to hair testing requirements. The conditions of each of those races also require a negative hair test collected within 45 days of date of trials to be eligible to ENTER for said trials. This may result in horses being required to have additional hair tests if the hair testing described in #1. above was conducted more than 45 days prior to the running of the trials.

*\*Hair tests, and the results of any such testing, as required by this condition are not considered official tests or results by the OHRC.*

### PAYMENT OF PARTICIPATION PURSE

The owner of each horse that has provided results of a negative hair test will be paid a one-time \$250 Participation Purse bonus (from Horsemens Purse Account) when the horse competes in its first overnight race during the meet. Trials and Stake race participants will not be eligible for this bonus, but if the first start is a trial or a stake race the payment will be made only if the horse comes back and runs in an overnight race.

For more information on testing requirements, scheduling, arranging for off-site collection and testing of hair or payment of participation purse please contact:

7. The Starter, Outrider, Clocker, a Steward or Steward's Designee and the Racing Secretary or Assistant to the Racing Secretary must be present to supervise Approved Schooling Races.
8. One Approved Schooling Race will be accepted in lieu of the two (2) work requirement so long as the schooling race is within sixty (60) days of any OHRC pari-mutuel race for which an entry is made as follows:
  - a. All breeds racing in straightway races must school on the straightaway.
  - b. Horses unable to start in a race within the allotted sixty (60) days can update the schooling race (for a period not to exceed thirty (30) days with an approved work from the gate.

16. The supervising Steward has the discretion in all matters regarding schooling race procedures and requirements.

### **SCHOOLING RACE DAYS REMINGTON PARK 2019**

Remington Park will host non-mandatory schooling races in an effort to assist in preparation for the race meet. There will be a non-refundable administration fee of Fifty Dollars (\$50.00) for each horse that enters. The Owner of the horse must pay the Fifty Dollars (\$50.00) administration fee or the Trainer will be held responsible for payment. Remington Park requires a minimum of sixty (60) entrants for each scheduled schooling race day. In the event the Racing Office does not receive at least sixty (60) entrants the scheduled schooling race day may be cancelled. Each Trainer is solely responsible to pay their rider. Entries will close on each Friday preceding the scheduled schooling race day at noon and at 5:00pm after the race meet starts. Any changes to the entries such as additional horses or substitutions of horses must be requested before 9:00 a.m. the day of the schooling races and must be approved by the Stewards. Beginning February 6 schooling races will be held on Wednesday and Thursdays if necessary. Should Horsemen show support for additional schooling race days in May, the Racing Secretary will take entries in the Racing Office.

- **CONDITION ELIGIBILITY:** means horses that meet the condition of the race are preferred over those that do not. For Example: winners of two (2) races entering into a non-winner of three (3) races would have preference over a horse that has only one (1) win regardless of preference date. In open races, horses with condition eligibility (Example: N3, N2) are least preferred to those with three (3) or more wins. In such case, horses with condition eligibility get into an open race, N3's would be preferred over N2's and so on.
- **MULTIPLE WINNERS PREFERRED.** Horses with three (3) or more wins are considered equal in preference and are then preferred by date unless otherwise stated.

#### **BLINKER RULES:**

- a. Any blinker change from a previous start must be approved by the Starter.
- b. A blinker change must be declared at time of entry.
- c. No horse may arrive at the paddock wearing blinkers without first getting permission from the Paddock Judge.

*Remember it is the Trainer's responsibility to claim a blinker change at the time of entry. Failure to do so will result in said horse racing in previous equipment.*

#### **FLIPPING HALTERS:**

- FLIPPING HALTERS MUST BE DECLARED AT THE TIME OF ENTRY. THIS RULE WILL BE STRICTLY ENFORCED.
- VIOLATORS MAY BE SUBJECT TO DISCIPLINARY ACTIONS BY THE BOARD OF STEWARDS.

Should any such required security for Worker's Compensation be cancelled or terminated, any occupation license held by such person may be subject to summary suspension and may be grounds for revocation of the license. Any Trainer who intends to bring a horse on the ground of Remington Park must have a minimum Workman's Compensation Policy on file in the Racing Commission before doing so if he/she has employees.

➤ **KNOWLEDGE OF RULES.** Every licensee, in order to maintain their qualifications for any licenses held by them, shall be familiar with and knowledgeable of Track and Commission Rules, including all amendments thereto. Every licensee is presumed to know the Rules.

Although Remington Park makes every effort to ensure the safety of both, we will not be held responsible for either silks or foal papers left later than one (1) week after the final day of the meet.

➤ **EQUINE INJURY DATABASE.** In consideration of the acceptance of an entry or a nomination of any horse to any race described in this Condition Book, the Owner(s) and Trainer of such horse, consent to the collection of information related to any equine injury occurring at the Remington Park facility to such horse and entry of said information into database maintained by The Jockey Club (the "Equine Injury Database"). Said Owner(s) and Trainer further agree to indemnify, release, hold harmless and covenant not to sue Global Gaming RP, LLC and Remington Park, any State or Track-appointed Veterinarian collecting such information and The Jockey Club (collectively, the "Indemnified Parties") from and against any liability, cost, loss or expense of any kind or nature (including, without limitation, reasonable attorneys' fees) arising from any claim, demand or action (a) alleging that the data entered into the Equine Injury Database (either directly or indirectly) violates the rights of the Owner(s), Trainer or any Third Party, or (b) relating to any equine injury report run, published or otherwise created by any of the Indemnified Parties, including the Owners, Stewards, Directors, Officers, Employees and Agents of any of them (either directly or indirectly) .

➤ **REGISTRATION CERTIFICATE TO REFLECT CORRECT OWNERSHIP.**

A Stable Name may be registered for such Owner or Ownership with the Commission. An Organization Licensee shall provide adequate stalls for horses which are required to arrive more than two (2) hours prior to post time for the horses' scheduled race. Horses not within the enclosure by the deadline may be scratched and the Trainer subject to a fine and/or suspension.

➤ **NAMING OF RIDERS.** All horses entered must have a rider engaged at the time of entry. If a rider is named without a call, or if no rider is named, the Stewards will name a rider at scratch time. Any Owner, Trainer or other duly Authorized Person failing to follow this procedure will be subject to disciplinary action.

**Trainers must name a rider and a backup rider at time of entry. If both jockeys “take off” at the draw, the horse will be “left open” on the overnight. Trainers must name a rider for “open horses” on the overnight by 9:00 a.m. (Tuesday for Thursday, Wednesday for Friday, Thursday for Saturday, and Friday for Sunday). The Stewards will name riders for all horses “remaining open” at 9:00 a.m. according to the schedule above. All subsequent rider changes after 9:00 a.m. will result in a “double jock mount.”**

➤ **325:30-1-8. FORM AND DEPOSIT CLAIM.** All claims shall be in writing on a form approved by the Commission and shall be enclosed in the claim envelope, sealed and deposited in the claim box at least ten (10) minutes before post time of the race in which the horse to be claimed is entered. No money shall accompany a claim form and any person or racing interest making a claim shall first have the amount of the claim and all applicable taxes on deposit with the Horsemen’s Bookkeeper at the race meeting. The filing of a claim by depositing the claim form in the claim box constitutes a contract of purchase at the established price and in accordance with the Rules for Claiming.

➤ **325:25-1-17. COUPLING OF ENTRIES.** In no case shall more than two (2) horses having common ties through ownership, training, or lease be entered in a purse race (overnight). When making a double entry, the second same Owner entry drawn shall have no preference over any single entry in purse races, excepting a preference over an “in today” horse. At the time of entry, a preference must be made to the end that each interest may have an entry in each division should the race be divided. For different Owners, an organization licensee, with approval of the Stewards, may allow for each entrant to have an equal shake to draw into a race providing the horse(s) have preference. If a race is to be divided, an additional conditional entry may be accepted from any interest. Each such entry may have a joint entry. All divided races will be considered separate races.

➤ **325:30-1-16. SALE OR TRANSFER OF CLAIMED HORSE.** No horse claimed out of a claiming race shall be sold or transferred to any person for racing purposes within (30) days, exclusive of the day such horse was claimed except in another claiming race.

➤ **325:30-1-17. ENTRY OF CLAIMED HORSE.** A horse claimed out of a claiming race shall be eligible to race at any racing organization within the State of Oklahoma immediately or in any other state after the end of the race meeting where the claim occurred. A claimed horse shall not be eligible to start in any other claiming race for a period of thirty (30) days exclusive of the day such horse was claimed for less than the price for which the horse was claimed. A claimed horse, with the permission of the Stewards at the race meeting, may be allowed to participate in stakes or nomination races in other jurisdictions. A horse claimed in another jurisdiction is subject to the eligibility requirements for the claimed horse in effect at the time of the claim in the jurisdiction in which the horse was claimed.

## PREFERENCE SYSTEM

(1) All horses intended for racing at Remington Park will be assigned a preference date when original registration papers with a current Coggins (should be issued after June 1, 2018) attached to papers are submitted to the Racing Office. A horse can have only one date at any particular time. Dates assigned will be four types:

- 0-Date: This can only be attained if a horse's Certificate of Registration with a negative Coggins Test was submitted to the Racing Office by Thursday, February 28, 2019.
- M1,M2: This date corresponds to a horse with a date which is excluded from a race. Example: When a horse with a 0 date is excluded from a race he receives a M1. If he is excluded again he receives a M2. A M2 has preference over a M1. (For 2 and 3,4,5 year old Maiden Allowance Races only.)
- E-Date: The day on which a horse's foal papers are submitted to the Racing Office if after deadline for 0 date.
- R-Date: This date will correspond to the day of a horse's most recent race at Remington Park. An R-Date will be assigned to a horse which is scratched.

(2) Preference dates shall be given in all races, except handicaps and stakes, according to a horse's previous race during the current meet.

(3) Any horse running in a stakes race or a trial will retain its previously held preference date.

(4) Horses which are drawn into races will receive a running date corresponding to the date on which they are to run and will lose all dates previously held (excluding trials or stakes races).

(5) All horses placed on lists will be posted on the bulletin board. They will not be permitted to enter until they have come off the list. A horse which raced before going on a list will keep its R date.

(6) Horses which were scratched will be given an R date as of the day the horse comes off the list.

(7) Preference dates remain the same regardless of a change of Ownership or Trainer.

(8) Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office or demonstrate intent to race anywhere by entering at such tracks and must enter to reestablish a preference date at this meeting. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e. tattoo, corrections, change of ownership, etc.) the Racing Secretary may determine the status of the preference date established.

(9) There will be no special preference dates for Oklahoma Bred horses.

(10) In cases where E-Date and R-Date dates are the same, the horse with the entry date will have the preference

(11) Preference dates will not supersede conditions of the races.

(12) Horses with dates established which re-enter but do not get in will keep the date previously established.

(13) **Maidens entering against winners will receive least consideration with exceptions of money earned preferences.**

(14) Any discrepancy pertaining to the draw must be reported to the Secretary's Office.

(15) Statistics provided by Equibase will be used in determining eligibility.

#### **E. BACKSIDE MANURE HANDLING PROCEDURES**

##### **I. Purpose**

Provide expected guidelines and procedures for handling manure, soiled bedding and trash from the barn areas on the Backside. Post rules for handling manure by Horsemen. Provide covered or contained manure/bedding storage containers. Conduct and document inspection of manure storage/handling areas.

##### **II. Policy**

Due to new Federal and State CAFO Regulations, serious and monetarily substantial regulatory penalties can be imposed on Remington Park for allowing the improper handling of manure and soiled bedding (straw, pellets, sawdust, etc.) on our property. Every due diligence effort and precaution must be employed to prevent the contamination of ground water and migration of manure effluence into storm drains, which empty into the Deep Fork River, or any other natural resource waterway.

- Remington Park is responsible for providing sufficient covered trash and designated manure/bedding storage bins/container for each barn and manure bunker location.
- It is the Horse Trainer's responsibility to ensure that all manure and soiled stall bedding is properly disposed of in the covered plastic bins positioned in the manure bunkers or large metal covered/tarped roll-off containers at each barn.
- Trainers are additionally responsible to ensure that any manure bedding, etc., dropped from the wheel barrels between the stalls and the covered bins (to include all around and inside the manure bunkers) is subsequently picked up and placed in the designated covered bins/containers.
- As covered manure bins are reaching their capacity Trainers will call the Stall Office (405-425-4090), to request a fresh bin to be put in place. Do not over-fill the containers.
- Trainers are responsible for assuring that all trash, bottles, cans, etc., are properly placed in the large trash containers at the ends of each barn and not in the covered manure/bedding containers or in the bunkers.
- Trainers are responsible for picking up and properly disposing of manure deposited by their horses during/after exercising on Hot-Walkers.
- Horses must be washed only in the designated horse wash-racks inside each barn.
- The Stall Manager is responsible for conducting a daily inspection of the barns and manure bunkers to note if manure is properly placed inside the covered bins, trash is being placed in the proper container, area around the barn and manure bunkers are clear of soiled bedding/manure and if bins are overfilled. The inspection findings will be recorded on the Remington Park "Daily Inspection Report Form for Bunker Locations." The Remington Park Stall Manager will submit the completed forms daily to the Facilities Director and the Director of Internal Compliance.
- Remington Park Facilities Department will ensure that all streets and parking areas between the barns on the backside will be swept (street sweeper) bi-weekly. The collected contents of the sweeper must be deposited inside a covered manure bin for collection.
- Remington Park Security Department is responsible for conducting a daily property and backside inspection. Security will complete the "Daily Property & Backside Exterior Security Patrol Safety and Environmental Observation Checklist" form. Completed forms will be submitted to the Facilities Director and the Director of Internal Compliance daily.
- A copy of the Rules/Policy will be posted inside each barn and at the Stall Office.
