Oklahoma Bred Funds available for 2019

Oklahoma Bred Funds are available to Accredited Oklahoma Bred Foals in all races. An amount equivalent to the available Oklahoma Bred money in each race, will be deducted by the Horsemen's Bookkeeper for jockey fees at the winning percentages indicated in OHRC Rule 325:25-1-30 Jockey Mount Fees.

Owner(s) may exercise their right to be excluded from this deduction for jockey fees by executing an exclusion form at the Horsemen's Bookkeeper Office prior to entry.

The OHRC has implemented a new Oklahoma Bred Fund distribution formula. The previous tier pay-out was replaced in 2014 and now is based on a percentage of purse distribution formula. Fifty-five percent (55%) of the base overnight purse is the gross amount for the Oklahoma Bred Fund award. 27.5% as Owner Awards and 27.5% as Breeder Awards. Additionally, 10% will be made available from the base purse of all open stakes races. The 10% will also be divided equally between Owners and Breeders. The OHRC remains committed to fostering and promoting the Oklahoma Bred Fund to the fullest.
