

CONDITION ELIGIBILITY: means horses that meet the condition of the race are preferred over those that do not. For Example: winners of two (2) races entering into a non-winner of three (3) races would have preference over a horse over a horse that has only one (1) win regardless of preference date. In open races, horses with with condition eligibility (Example: N3, N2) are least preferred to those with (3) or more wins. In such case, horses with condition eligibility get into an open race. N3's would be preferred over N2's and so on.

MULTIPLE WINNERS PREFERRED. Horses with three (3) or more wins are considered equal in preference and are then preferred by date unless otherwise stated.

WINNERS PREFERRED. In all overnight races, eligibility shall be determined by conditions and winners shall be preferred.

MULTIPLE ENTRIES. Trainers with a multiple entry in a race that has been circled to use with 8 head and scratches an entry for any reason that causes the field size to fall below 7 horses will lose entry privileges for both horses for 20 calendar days.

325:30-1-8. FORM AND DEPOSIT CLAIM. All claims shall be in writing on a form approved by the Commission, shall be inclosed in the claim envelop, sealed and deposited in the claim box at least (10) minutes before post time of the race in which the horse to be claimed is entered. No money shall accompany a claim form, and any person or racing interest making a claim shall first have the amount of the claim and all applicable taxes on deposit with Horsemen's Bookkeeper at the race meeting. The filing of a claim by depositing the claim form in the claim box constitutes a contract of purchase at the established price and in accordance with the rules for claiming.

EQUIPMENT CHANGE RULE FOR REMINGTON PARK BLINKER RULES:

- a. Any blinker change from a previous start must be approved by the Starter.
- b. A blinker change must be declared at time of entry.
- c. No horse may arrive at the paddock wearing blinkers without first getting permission from the Paddock Judge.

Remember it is the Trainer's responsibility to claim a blinker change at the time of entry. Failure to do so will result in said horse racing in previous equipment.

FLIPPING HALTERS:

- FLIPPING HALTERS MUST BE DECLARED AT THE TIME OF ENTRY. THIS RULE WILL BE STRICTLY ENFORCED.
- VIOLATORS MAY BE SUBJECT TO DISCIPLINARY ACTIONS BY THE BOARD OF STEWARDS.

NAMING OF RIDERS

Trainers must name a rider and a backup rider at time of entry. If both jockeys "take off" at the draw, the horse will be "left open" on the overnight. Trainers must name a rider for "open horses" on the overnight by 9:00 a.m. (Wednesday for Friday, Thursday for Saturday, Saturday for Wednesday, and Tuesday for Thursday). The Stewards will name riders for all horses "remaining open" at 9:00 a.m. according to the schedule above. All subsequent rider changes after 9:00 a.m. will result in a "double jock mount."

325:25-1-17. COUPLING OF ENTRIES. In no case shall more than two (2) horses having common ties through ownership, training, or lease be entered in a purse race (overnight). When making a double entry, the second same Owner entry drawn shall have no preference over any single entry in purse races, excepting a preference over an "in today" horse. At the time of entry, a preference must be made to the end that each interest may have an entry in each division should the race be divided. For different Owners, an organization licensee, with approval of the Stewards, may allow for each entrant to have an equal shake to draw into a race providing the horse(s) have preference. If a race is to be divided, an additional conditional entry may be accepted from any interest. Each such entry may have a joint entry. All divided races will be considered separate races.

325:30-1-16. SALE OR TRANSFER OF A CLAIMED HORSE. No horse claimed out of a claiming race shall be sold or transferred to any person for racing purposes within (30) days, exclusive of the day such horse was claimed except in another claiming race.

325:30-1-17. ENTRY OF CLAIMED HORSE. (a) horse claimed out of a claiming race shall be eligible to race at any racing organization within the State of Oklahoma immediately or in any other state after the end of the race meeting where the claim occurred. A claimed horse shall not be eligible to start in any other claiming race for a period of thirty (30) days exclusive of the day such horse was claimed for less than the price for which the horse was claimed. A claimed horse, with the permission of the Stewards at that race meeting, may be allowed to participate in stakes or nomination races in other jurisdictions. A horse claimed in another jurisdiction is subject to the eligibility requirements for the claimed horse in effect at the time of the claim in the jurisdiction in which the horse was claimed.

325:20-1-23. VETERINARIAN'S LIST. The Official Veterinarian shall maintain a list of all horses who in their opinion are incapable of safely performing in a race and are, therefore, ineligible to be entered or started in a race. Such horse may be removed from the Veterinarian List when in the opinion of the Official Veterinarian the horse has satisfactorily recovered the capability of performing in a race. The criteria for placing a horse on the Veterinarian's List shall include but not be limited to the shedding of blood from one or both nostrils following exercise or the performance in a race, and the running of a temperature unnatural to the horse.

ATTENTION HORSEMAN!

All races for the 2019 Thoroughbred Meet will be veterinarian inspection races. All horses must be within the enclosure no later than two (2) hours prior to the first (1st) post to comply with pre-race exams.

DEPOSIT OF JOCKEY FEE: The minimum jockey mount fee for a losing mount in the race must be on deposit with the Horsemen's Bookkeeper prior to the time for weighing out, and the failure to have such minimum fee on deposit is cause for disciplinary action and cause for the Stewards to scratch the horse for which such fee is to be deposited. The organization assumes the obligation to pay the jockey fee when earned by the engaged jockey. The jockey fee shall be considered earned when the jockey is weighed out by the Clerk Of Scales, unless, in the opinion of the Stewards, such jockey capable of riding elects to take himself off the mount without proper cause.

WORKERS COMPENSATION ACT COMPLIANCE.

No person may be licensed as a Trainer, Owner or in any other capacity in which such person acts as the employer of any other licensee upon the racetrack enclosure operated by an organization licensee, unless his/her liability for Workers' Compensation has been secured in accordance with the Workers' Compensation Act of the State of Oklahoma and until a Certificate of Insurance or other appropriate evidence of self-insurance evidencing such security for liability is provided to the commission. Should any such required security for Worker's Compensation be cancelled or terminated, any occupation license held by such person may be subject to summary suspension and may be grounds for revocation of the license. **Any trainer who intends to bring a horse on the grounds of Remington Park must have a minimum Workman's Compensation policy on file with Racing Commission before doing so if he/she has employees.**

KNOWLEDGE OF RULES.

Every licensee, in order to maintain their qualifications for any licenses held by them, shall be familiar with and knowledgeable of Track and Commission Rules, including all amendments thereto. Every licensee is presumed to know the Rules.

Every Certificate of Foal Registration, Eligibility Certificate or lease agreement filed with the Organization and its Racing Secretary to establish the eligibility of a horse entered for any race shall accurately reflect the correct and true ownership of such horse, and the name of the owner which is printed on the official program for such horse shall conform to the ownership as declared on the Certificate of Foal Registration. A Stable Name may be registered for such owner or ownership with the Commission. In the event ownership is by syndicated corporate, partnership, or other association or entity, the name of the owner which is printed on the official program for such horse shall be the responsible managing owner, officer or partner who assumes all responsibilities as the owner.
