The Owner of the horse must pay the Fifty Dollars (\$50.00) administration fee or the Trainer will be held responsible for payment. Remington Park requires a minimum of sixty (60) entrants for each scheduled schooling race day. In the event the Racing Office does not receive at least sixty (60) entrants the scheduled schooling race day may be cancelled. Each Trainer is solely responsible to pay their rider. Trainers must make sure training race fees are paid to bookkeepers prior to training race or horse will not participate in race.

- **CONDITION ELIGIBILITY:** means horses that meet the condition of the race are preferred over those that do not. In open races, horses with condition eligibility (Example: NW3, NW2) are least preferred to those with three (3) or more wins. In such case, horses with condition eligibility get into an open race, NW3's would be preferred over NW2's and so on.

Any Owner, Trainer or other duly Authorized Person failing to follow this procedure will be subject to disciplinary action.

Trainers must name a rider and a backup rider at time of entry. If both jockeys "take off" at the draw, the horse will be "left open" on the overnight. Trainers must name a rider for "open horses" on the overnight by 9:00 a.m. next day with Stewards. The Stewards will name riders for all horses "remaining open" at 9:00 a.m. All subsequent rider changes after 9:00 a.m. will result in a "double jock mount."

➤ **325:30-1-8. FORM AND DEPOSIT CLAIM.** All claims shall be in writing on a form approved by the Commission and shall be enclosed in the claim envelope, sealed and deposited in the claim box at least ten (10) minutes before post time of the race in which the horse to be claimed is entered. No money shall accompany a claim form and any person or racing interest making a claim shall first have the amount of the claim and all applicable taxes on deposit with the Horsemen's Bookkeeper at the race meeting. The filing of a claim by depositing the claim form in the claim box constitutes a contract of purchase at the established price and in accordance with the Rules for Claiming.

➤ **325:25-1-17. COUPLING OF ENTRIES.** In no case shall more than two (2) horses having common ties through ownership, training, or lease be entered in a purse race (overnight). When making a double entry, the second same Owner entry drawn shall have no preference over any single entry in purse races, excepting a preference over an "in today" horse. At the time of entry, a preference must be made to the end that each interest may have an entry in each division should the race be divided. For different Owners, an organization licensee, with approval of the Stewards, may allow for each entrant to have an equal shake to draw into a race providing the horse(s) have preference. If a race is to be divided, an additional conditional entry may be accepted from any interest. Each such entry may have a joint entry. All divided races will be considered separate races.

➤ **325:30-1-16. SALE OR TRANSFER OF CLAIMED HORSE.** No horse claimed out of a claiming race shall be sold or transferred to any person for racing purposes within (30) days, exclusive of the day such horse was claimed except in another claiming race.

➤ **325:30-1-17. ENTRY OF CLAIMED HORSE.** A horse claimed out of a claiming race shall be eligible to race at any racing organization within the State of Oklahoma immediately or in any other state after the end of the race meeting where the claim occurred. A claimed horse shall not be eligible to start in any other claiming race for a period of thirty (30) days exclusive of the day such horse was claimed for less than the price for which the horse was claimed. A claimed horse, with the permission of the Stewards at the race meeting, may be allowed to participate in stakes or nomination races in other jurisdictions. A horse claimed in another jurisdiction is subject to the eligibility requirements for the claimed horse in effect at the time of the claim in the jurisdiction in which the horse was claimed.

PREFERENCE SYSTEM

(1) All horses intended for racing at Remington Park will be assigned a preference date when original registration papers with a current Coggins (should be issued after June 1, 2023) attached to papers are submitted to the Racing Office. A horse can have only one date at any particular time. Dates assigned will be four types:

0-Date: This can only be attained if a horse's Certificate of Registration with a negative Coggins Test was submitted to the Racing Office by Wednesday, February 21, 2024.

M1,M2: This date corresponds to a horse with a date which is excluded from a race. Example: When a horse with a 0 date is excluded from a race he receives a M1. If he is excluded again he receives a M2. A M2 has preference over a M1. (For 2 year old Maiden Allowance Races only.)

All registration papers received or post marked after zero date will receive an "R" date corresponding to the racing date of the meeting when registered.

R-Date: This date will correspond to the day of a horse's most recent race at Remington Park. An R-Date will be assigned to a horse which is scratched.

(2) Preference dates shall be given in all races, except handicaps and stakes, according to a horse's previous race during the current meet.

(3) Any horse running in a stakes race or a trial will retain its previously held preference date.

(4) Horses which are drawn into races will receive a running date corresponding to the date on which they are to run and will lose all dates previously held (excluding trials or stakes races).

(5) All horses placed on lists will be posted on the bulletin board. They will not be permitted to enter until they have come off the list. A horse which raced before going on a list will keep its R date.

(6) Horses which were scratched will be given an R date as of the day the horse comes off the list.

(7) Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office or demonstrate intent to race anywhere by entering at such tracks and must enter to reestablish a preference date at this meeting. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e. tattoo, corrections, change of ownership, etc.) the Racing Secretary may determine the status of the preference date established.

(8) There will be no special preference dates for Oklahoma Bred horses.

(9) Preference dates will not supersede conditions of the races.

(10) Horses with dates established which re-enter but do not get in will keep the date previously established.

(11) Maidens entering against winners will receive least consideration with exceptions of money earned preferences.

(12) Any discrepancy pertaining to the draw must be reported to the Racing Secretary's Office.

(13) Statistics provided by Equibase will be used in determining eligibility unless the Stewards determine that the Equibase chart is incorrect.

(14) Any Horse that has a transfer of trainer (other than a claim) during the 2024 Remington Park Quarter Horse/Paint and Appaloosa meet will lose its preference date and receive an "R" date corresponding with the race day on which the transfer occurred. If the horse has already started in an overnight race and a transfer of trainer occurs, an "R" date will be assigned.

Attention Owners:

In previous years it was customary for the Remington Park Bookkeeper to automatically deduct the owner's account an additional payment to jockeys based on the Oklahoma Bred Purse Supplement earned. We must now require each owner to "Opt-In" for that deduction. Each owner that wishes to pay their jockey based on the additional purse supplement must complete a form and submit it to the bookkeeper at Remington Park BEFORE the running of the race in which they have an eligible Oklahoma Bred horse. This form will authorize the deduction of the owner's earnings for payment to the jockeys.

This online form can be conveniently completed by owners, and upon submission, a copy will be forwarded directly to the track's bookkeeper. If you would prefer to have a hard copy, those can be obtained from the horsemen's bookkeeper.
