

RULES OF RACING

ELIGIBILITY RULES: stalls will not be allocated nor entries taken for maiden six (6) years old and older

CONDITION ELIGIBILITY: means horses that meet the condition of the race are preferred over those that do not. For Example: winners of two (2) races entering into a non-winner of three (3) races would have preference over a horse that has only one (1) win regardless of preference date. In open races, horses with condition eligibility (Example NW3, NW2) are least preferred to those with three (3) or more wins. In such case, horses with condition eligibility get into an open race, NW3's would be preferred over NW2's and so on

MULTIPLE WINNERS PREFERRED: orses with three (3) or more wins are considered equal in preference and are then preferred by date unless otherwise stated.

BLINKER RULES: (a) any blinker change from a previous start must be approved by the Starter. (b) a blinker change must be declared at time of entry (c) no horse may arrive at the paddock wearing blinkers without first getting permission from the Paddock Judge. *It is the Trainer's responsibility to claim a blinker change at the time of entry. Failure to do so will result in said horse racing in previous equipment.*

GELDINGS: it is the responsibility of the trainer to report geldings at the time of entry.

FLIPPING HALTERS: flipping halters must be declared at the time of entry. This rule will be strictly enforced. Violators may be subject to disciplinary actions by the OHRC Stewards.

DEADLINE FOR ARRIVAL OF ENTERED HORSES: all horses scheduled to compete in an overnight race must be present within the enclosure no later than three (3) hours prior to the first (1st) post to comply with pre-race exams or to comply with Commission Furosemide (Salix) medication rules. An Organization Licensee shall provide adequate stalls for horses which are required to arrive more than three (3) hours prior to post time for the horses' scheduled race. Horses not within the enclosure by the dead-line may be scratched and the Trainer subject to a fine and/or suspension.

NAMING OF RIDERS: all horses entered must have a rider engaged at the time of entry. Trainers must name a rider and a backup rider at time of entry. If both jockeys "take off" at the draw, the horse will be "left open" on the overnight. Trainers must name a rider for open horses on the overnight by 9am following day. The Stewards will name riders for all horses remaining open at scratch time. All subsequent rider changes after 9am will result in double jock mount.

All races for the 2024 Quarter Horse Meet will be veterinarian inspection races.

All horses must be within the enclosure no later than 3 hours prior to the first (1st) post to comply with pre-race exams.
