AND GENERAL INFORMATION

Trainers will register with the Racing Secretary all Jockey Club Certificates of foal registration with the Racing Office.

Trainers or their authorized representative must register with track security every person in his employ no later than 72 hours after the arrival of his horse(s), and shall be responsible for all his employees securing occupational licenses before they participate in any capacity within the enclosure. Licensees having unlicensed personnel in their employ are subject to disciplinary action.

A change of blinker equipment must be approved by the Starter and reported to the Racing Secretary at time of entry.

No alterations shall be made of any entry after closing, except to correct an error.

Owners and Trainers must have an apprentice jockey engaged before claiming the apprentice allowance and such allowance can only be waived by the Stewards.

The entry by any person, or the transfer of any horse, may be refused by the Racing Secretary without notice for reasons deemed to be in the best interests of racing.

It is the responsibility of the trainers to **report geldings** at time of entry.

No trainer will be allowed to re-enter any horse that is in the body of a race, (excluding stakes races) unless granted permission from the stewards.

Money for claiming purposes must be in the Horsemen's Bookkeeper's office one hour before the post time for the race in which the horse to be claimed is participating.
