

REMINGTON PARK BARN AREA POLICY

Remington Park takes great pride in offering our facilities to you during this race meet. We do everything we possibly can to make your experience with us both a profitable and rewarding venture. After each race meet Remington Park expends a considerable amount of funds to refurbish, clean and remove unwanted items in not only the stalls but also the dorm rooms, barn area, and race track. With the response we receive for stalls each horsemen needs to understand the value in having your horses stabled within the enclosure. Due to the premium that has been placed on these stalls Remington Park management's barn area policy for 2025 is very simple:

1. Shed rows leveled and raked.
2. All pallets removed.
3. Feed and tack rooms completely emptied and swept.
4. Dorm rooms completely emptied and swept.
5. Area outside of allocated barn clean and free of trash.
6. All bulk and bagged shavings/stall-bedding must be moved inside the barns by sundown on the same day as it is delivered.

NEW POLICIES

7. Do not park on, or run over the black silt berms that have been installed around all storm drains on the backside.
8. Please report any damaged storm drain silt berms to the Stall Superintendent.

Dumpsters will be provided at the end of the meet for large items that need to be discarded. Future stall allocations will be impacted by this policy. Please join in and help us in taking pride of our facilities.
