### HAIR TESTING AS A CONDITION OF ENTRY

NO QUARTER HORSE, PAINT OR APPALOOSA HORSE WILL BE ALLOWED TO ENTER A RACE AT REMINGTON PARK UNLESS RESULTS OF A NEGATIVE HAIR TEST HAS BEEN PROVIDED TO REMINGTON PARK PRIOR TO ENTRY. HORSE(S) THAT TEST POSITIVE MUST LEAVE THE GROUNDS AND WILL BE INELIGIBLE TO PARTICIPATE IN THE REMINGTON PARK MEET. ALL PRE-ENTRY HAIR TESTING WILL BE FACILITATED BY OQHRA.

- 4) Allow 10 business days for negative results to be reported once the sample has been collected. Tests requiring confirmation testing may take longer than 10 business days to report. It is the trainer's responsibility to have the horse tested in time for the results to be returned prior to entry.
- 5) All Futurities and Derbies during the 2026 meet are also subject to hair testing requirements. The conditions of each of those races require an additional negative hair test between the trials and the final.
- 6) Any horse that tests positive in a pre-race hair test will not be eligible for re-testing during the meet. Such horses will no longer be allowed on the grounds.
- 7) OQHRA & Remington Park assume no responsibility for test accuracy, timing, race payments, or financial consequences related to positive test results.

➤ **DEADLINE FOR ARRIVAL OF ENTERED HORSES.**

All horses scheduled to compete in an overnight race must be present within the enclosure no later than four (4) hours prior to the first (1st) post to comply with pre-race exams or to comply with Commission Furosemide (Salix) medication rules. An Organization Licensee shall provide adequate stalls for horses which are required to arrive more than four (4) hours prior to post time for the horses' scheduled race. Horses not within the enclosure by the deadline may be scratched and the Trainer subject to a fine and/or suspension.

➤ **NAMING OF RIDERS.** All horses entered must have a rider engaged at the time of entry. If a rider is named without a call, or if no rider is named, the Stewards will name a rider at scratch time. Any Owner, Trainer or other duly Authorized Person failing to follow this procedure will be subject to disciplinary action.

**Trainers must name a rider and a backup rider at time of entry. If both jockeys “take off” at the draw, the horse will be “left open” on the overnight. Trainers must name a rider for “open horses” on the overnight by 9:00 a.m. next day with Stewards. The Stewards will name riders for all horses “remaining open” at 9:00 a.m. All subsequent rider changes after 9:00 a.m. will result in a “double jock mount.”**

➤ **325:30-1-8. FORM AND DEPOSIT CLAIM.** All claims shall be in writing on a form approved by the Commission and shall be enclosed in the claim envelope, sealed and deposited in the claim box at least ten (10) minutes before post time of the race in which the horse to be claimed is entered. No money shall accompany a claim form and any person or racing interest making a claim shall first have the amount of the claim and all applicable taxes on deposit with the Horsemen’s Bookkeeper at the race meeting. The filing of a claim by depositing the claim form in the claim box constitutes a contract of purchase at the established price and in accordance with the Rules for Claiming.

➤ **325:25-1-17. COUPLING OF ENTRIES.** In no case shall more than two (2) horses having common ties through ownership, training, or lease be entered in a purse race (overnight). When making a double entry, the second same Owner entry drawn shall have no preference over any single entry in purse races, excepting a preference over an “in today” horse. At the time of entry, a preference must be made to the end that each interest may have an entry in each division should the race be divided. For different Owners, an organization licensee, with approval of the Stewards, may allow for each entrant to have an equal shake to draw into a race providing the horse(s) have preference. If a race is to be divided, an additional conditional entry may be accepted from any interest. Each such entry may have a joint entry. All divided races will be considered separate races.

➤ **325:30-1-16. SALE OR TRANSFER OF CLAIMED HORSE.** No horse claimed out of a claiming race shall be sold or transferred to any person for racing purposes within (30) days, exclusive of the day such horse was claimed except in another claiming race.

➤ **325:30-1-17. ENTRY OF CLAIMED HORSE.** A horse claimed out of a claiming race shall be eligible to race at any racing organization within the State of Oklahoma immediately or in any other state after the end of the race meeting where the claim occurred. A claimed horse shall not be eligible to start in any other claiming race for a period of thirty (30) days exclusive of the day such horse was claimed for less than the price for which the horse was claimed. A claimed horse, with the permission of the Stewards at the race meeting, may be allowed to participate in stakes or nomination races in other jurisdictions. A horse claimed in another jurisdiction is subject to the eligibility requirements for the claimed horse in effect at the time of the claim in the jurisdiction in which the horse was claimed.

## PREFERENCE SYSTEM

(1) All horses intended for racing at Remington Park will be assigned a preference date when original registration papers with a current Coggins (should be issued after May 30, 2025) attached to papers are submitted to the Racing Office. A horse can have only one date at any particular time. Dates assigned will be four types:

0-Date: This can only be attained if a horse's Certificate of Registration with a negative Coggins Test was submitted to the Racing Office by Wednesday, February 18, 2026.

M1,M2: This date corresponds to a horse with a date which is excluded from a race. Example: When a horse with a 0 date is excluded from a race he receives a M1. If he is excluded again he receives a M2. A M2 has preference over a M1. (For 2 year old Maiden Allowance Races only.)

All registration papers received or post marked after zero date will receive an "R" date corresponding to the racing date of the meeting when registered.

R-Date: This date will correspond to the day of a horse's most recent race at Remington Park. An R-Date will be assigned to a horse which is scratched.

(2) Preference dates shall be given in all races, except handicaps and stakes, according to a horse's previous race during the current meet.

(3) Any horse running in a stakes race or a trial will retain its previously held preference date.

(4) Horses which are drawn into races will receive a running date corresponding to the date on which they are to run and will lose all dates previously held (excluding trials or stakes races).

(5) All horses placed on lists will be posted on the bulletin board. They will not be permitted to enter until they have come off the list. A horse which raced before going on a list will keep its R date.

(6) Horses which were scratched will be given an R date as of the day the horse comes off the list.

(7) Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office or demonstrate intent to race anywhere by entering at such tracks and must enter to reestablish a preference date at this meeting. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e. microchip, corrections, change of ownership, etc.) the Racing Secretary may determine the status of the preference date established.

(8) There will be no special preference dates for Oklahoma Bred horses.

(9) Preference dates will not supersede conditions of the races.

(10) Horses with dates established which re-enter but do not get in will keep the date previously established.

(11) **Maidens entering against winners will receive least consideration with exceptions of money earned preferences.**

(12) Any discrepancy pertaining to the draw must be reported to the Racing Secretary's Office.

(13) Statistics provided by Equibase will be used in determining eligibility unless the Stewards determine that the Equibase chart is incorrect.

(14) Any Horse that has a transfer of trainer (other than a claim) during the 2026 Remington Park Quarter Horse/Paint and Appaloosa meet will lose its preference date and receive an "R" date corresponding with the race day on which the transfer occurred. If the horse has already started in an overnight race and a transfer of trainer occurs, an "R" date will be assigned.

## **REMINGTON PARK TRIAL DRAW POLICY**

We will do our best to split horses with the same owners or trainers into separate heats or days.

However, it is the trainer's responsibility to notify the office of any ownership overlaps before the draw. If a mistake is discovered after the final overnight is posted, the draw will stand as is. We will attempt to make adjustments where possible, but we cannot guarantee changes once the schedule is finalized.

## **Attention Owners:**

In previous years it was customary for the Remington Park Bookkeeper to automatically deduct the owner's account an additional payment to jockeys based on the Oklahoma Bred Purse Supplement earned. We must now require each owner to "Opt-In" for that deduction. Each owner that wishes to pay their jockey based on the additional purse supplement must complete a form and submit it to the bookkeeper at Remington Park BEFORE the running of the race in which they have an eligible Oklahoma Bred horse. This form will authorize the deduction of the owner's earnings for payment to the jockeys.

This online form can be conveniently completed by owners, and upon submission, a copy will be forwarded directly to the track's bookkeeper. If you would prefer to have a hard copy, those can be obtained from the horsemen's bookkeeper.
